

## DEAR DOG OWNERS!

Your four-legged friend is most welcome to stay with us on request. To ensure a harmonious coexistence, we ask that your pet is well behaved and house-trained.

Information for your four-legged friend in and around the hotel:

- We kindly ask you to keep your dog on a leash in the entire hotel area. If there are other dogs in the hotel or if our guests have great respect for dogs, we will take care of everyone's well-being.
- Please use the entrance and exit in the basement by the ski and hiking room with your four-legged friend. There are also towels available for wet paws in the ski and hiking room.
- Please use the forest for walking your dog to keep the area in front of the hotel clean. The forest, where you will also find rubbish bins, is about 200 m from the hotel.
- For hygienic reasons, dogs are not allowed in the restaurant and in the entire wellness area. We ask for your understanding.
- Whether it is a dog basket or a favourite blanket, we ask you to bring these yourself and ask for your understanding that your darling stays on the favourite blanket or similar. The use of the bed and the upholstered furniture is not permitted.
- If your four-legged friend is alone in the room, please let us know. This will enable us to coordinate the cleaning of your room with you.
- In case of heavy soiling or possible damage to the room, we are obliged to charge for this.
- We charge 20,00€ per dog and day - without food.
- Please note that a muzzle is compulsory on public buses and cable cars.

We thank you for your understanding and look forward to welcoming you and your pet.
